

**Superior Court of California, County of Sacramento
Waiver and Plea to Driving Under the Influence
With Injury
No Prior Conviction (Vehicle Code 23554)**

(For Court Use Only)

Defendant Name:
Case Number:

I, _____, understand that on (Date) _____ I am charged with driving a vehicle while under the influence of an alcoholic beverage or drugs or both (Vehicle Code Section 23153(a)), and/or while having 0.08 percent or more, by weight, of alcohol in my blood (Vehicle Code Section 23153(b)) and when so driving, did any act forbidden by law or neglected any duty imposed by law in the driving of the vehicle, which act or neglect proximately caused bodily injury to another person.

I understand the penalties are:

- A. **Maximum:** 1) Misdemeanor: Fine of \$1,000.00, plus penalty assessments of \$2,700.00, plus additional fees up to an amount of \$889.00, plus restitution to victim(s) in an amount to be determined, if any, or victim restitution fund assessment of \$1,000.00, 1 year in jail, DMV suspension of driving privilege for 1 year, and vehicle impoundment at defendant-owner's expense for 30 days (unless defendant was driving another's vehicle or is exempted pursuant to Vehicle Code Section 23594), installation of an Ignition Interlock Device for 3 years, and surrender to court of your driver's license. 2) Felony: The foregoing penalties and fines apply if the offense is a felony, with the following exceptions: three years in state prison plus possible 3-6 year enhancements pursuant to Penal Code Section 12022.7, and \$10,000.00 maximum restitution fine.
- B. **Minimum Without Probation:** Fine of \$390.00, plus penalty assessments of \$1,053.00, plus additional fees up to an amount of \$767.00, plus restitution to victim(s) in an amount to be determined, if any, or restitution fund assessment of \$150.00, 90 days in jail, DMV suspension of driving privilege for 1 year, installation of an Ignition Interlock Device for 12 months, and surrender to court of your driver's license.
- C. **Minimum With 3 to 5 Years Probation:** Fine of \$390.00, plus penalty assessments of \$1,053.00, plus additional fees up to an amount of \$767.00, plus restitution to victim(s) in an amount to be determined, if any, or restitution fund assessment of \$150.00 plus an additional \$150.00 suspended pending violation of probation 5 days in jail, an alcohol program of at least 3 months (9 months for offenses on or after 01/01/06 if blood alcohol level was .20 or higher or if refused chemical test), suspension by DMV of driving privilege for 1 year, installation of an Ignition Interlock Device for 12 months, and surrender to court of your driver's license. Standard probation terms and conditions to include: obey all laws, not drive a motor vehicle with any drugs or measurable amount of alcohol in your system, not refuse to complete a blood alcohol chemical test when offered by any peace officer, not drive without a valid California driver's license or without valid insurance.
- D. **Assessment Program:** I understand that I may be ordered to attend an alcohol and drug problem assessment program, and that I will be required to do so if I have been required to attend a licensed program pursuant to court order and failed at least once to comply with the rules and policies of the licensed program other than a rule related to the payment of fees (Vehicle Code Section 23646(b)).
- E. **Ignition Interlock Device:** I understand that, if convicted of an offense that occurred on or after July 1, 2010, I will be required to install a certified ignition interlock device in any vehicle owned or operated by me, which will prevent the vehicle from starting if I have alcohol in my body, for a specified term of up to 48 months as required by the Department of Motor Vehicles prior to receiving reissuance of license or restricted license. Additionally, the court may also require this device for a term of one to three years. This requirement will be imposed if I am convicted hereafter of driving while my license is suspended or in violation of license restrictions.
- F. **Refusal:** If I refused a chemical test (Vehicle Code Section 23577) 48 continuous hours in jail will be added to the jail term imposed.
- G. **Commercial Vehicle:** I understand that the DMV will prohibit me from operating a commercial vehicle for one year if I am convicted of either of the following that occurred in any vehicle: 1) a first DUI offense or, 2) willful refusal to submit to or complete a chemical test to determine my blood alcohol level. The DMV will prohibit me from operating a commercial vehicle ever again if I am convicted of either of the following that occurred in any vehicle: 1) a second or subsequent DUI offense or, 2) willful refusal to submit to or complete a chemical test.

I understand that if I am not a citizen of the United States, a plea of guilty or no contest could result in my being deported from the United States, excluded from admission to the United States, or denied naturalization as a United States Citizen.

I have discussed any applicable immigration consequences with my attorney.

I understand that if I am currently on probation or parole for any other criminal offense, that such probation could be revoked as a result of my plea today.

I understand that in order to become eligible for a California driver's license, I must give satisfactory proof to the Department of Motor Vehicles of successful completion of an 18-month alcohol rehabilitation program.

I understand that my driver's license suspension or revocation from DMV administrative proceedings is independent of court-imposed penalties and that my driving privilege will not be restored until I provide satisfactory proof to the DMV that I successfully completed the required driving-under-the-influence program, whether or not such a program is required by the court.
